

DIY HOUSE NUMBERS WITH PLANTER BOX

FOLLOW THESE STEPS:

1. Using a 1" x 6" hardwood board, cut to your desired length. We recommend 25" for three numbers, and 30" for four numbers.
2. Using the rest of your 1" x 6", cut the pieces for the planter box. You will need:
 - a. (2) 4" x 4" pieces
 - b. (1) 4" x 7-1/2" piece
 - c. (1) 4"-3/4" x 7-1/2" piece
3. Sand all of your wood pieces to have clean edges using a random orbital sander and 100 grit sandpaper.
4. Using the Bauer Titanium Drill Bit Set (Item 63911), drill your pilot holes for assembly, spacing your holes 1-1/2" apart.
5. Using 1-5/8" wood screws, assemble your wood pieces.
6. Clean your assembled project and apply a stain if desired.
7. Once your project has been stained and dried, install your house numbers using the specified instructions.
8. Mount the hardware that is appropriate for the material your project will be attaching to.
