

# DIY MONOGRAM PLANTER

## FOLLOW THESE STEPS:

- These plans are for an "H" shaped monogram planter but can easily be customized for any letter.  
a. TIP: Measure twice, cut once.
- Using a Bauer 20v HYPERMAX™ Lithium-Ion Cordless 6-1/2" Circular Saw (Item 63634), cut a board of 1" x 2" hardwood using the following recommended measurements:
  - (2) 18" pieces
  - (6) 4" pieces
  - (4) 5-5/8" pieces
- Once you have your pieces cut to length, use the Bauer 20v HYPERMAX™ Lithium-Ion Cordless 5" Random Orbital Sander (Item 64943) to sand any rough edges.
- Using the Bauer 20v HYPERMAX™ Lithium-Ion Cordless 1/2" Drill/Driver (Item 56725), drill two pilot holes at each joint from the outer side of the wood. Secure with 1-5/8" wood screws.
- Once the perimeter of your planter has been assembled, trace the outer edges on a sheet of plywood.
- Using a drill bit, drill pilot holes at each corner of your shape.
- To cut out the backboard for your planter, use the Bauer 20v HYPERMAX™ Lithium-Ion Cordless Jig Saw - Tool Only (Item 63630) and the Bauer T-Shank General Purpose Jigsaw Blade Assortment, 30 Pk. (Item 64071)
- Secure the backboard to the rear side of your planter using wood screws.
- Sand any rough edges.
- If desired, stain with your choice of wood stain after removing any sawdust from your wood.
- To plant, fill the bottom of your planter with pebbles and then soil before inserting flowers or succulents

## MATERIALS:

- (1) 1" x 4" Hardwood Board
- Wood Stain
- Paint Brush for Stain
- 1-5/8" Wood Screws

## RECOMMENDED TOOLS:

- Bauer 20v HYPERMAX™ Lithium-Ion Cordless 6-1/2" Circular Saw (Item 63634)
- Bauer 20v HYPERMAX™ Lithium-Ion Cordless 5" Random Orbital Sander (Item 64943)
- Bauer 20v HYPERMAX™ Lithium-Ion Cordless 1/2" Drill/Driver (Item 56725)
- Bauer 20v HYPERMAX™ Lithium-Ion 3.0 Ah High Capacity Battery (Item 64816)
- Bauer 20v HYPERMAX™ Lithium-Ion Rapid Charger (Item 63529)
- Bauer Titanium Drill Bit Set, 21 Pc. (Item 63911)
- Bauer Impact Drill And Driver Bit Set, 35 Pc. (Item 63910)
- Bauer 6-1/2 In. 24T Framing Circular Saw Blade (Item 63907)
